Volume XXII

Center Grove High School
R.R. 3
Greenwood, Ind. 46142

Every picture tells a story—this is our story of Center Grove High School. Our story is full of over-flowing lockers and crowded halls. Ours is a story of change with plans for the freshmen to be once again with upperclassmen and finally the plans for the high school campus to include the present high school and junior high to be joined by a new middle building.

Mini courses, ranging from ballroom dancing to camping as well as macramé to field hockey were offered, and new

tennis courts added to CG'S year of change.

Togetherness is a part of our story with nine area schools forming Central Nine Vocational School, where students from the different schools may go to learn a vocation while still in high school.

The Trojan story is of many different things that will remain with us all for the years to come. The 1973 Trojan presents the story of Center Grove.

On Nov. 9 and 10 the seniors performed their class play, "Flowers for Algernon." It proved to be a success, with the main characters played by Don Polley, Vickey LeMasters, Rene Johnson, and Tom Deer. The director of the play was Mr. David Dusthimer.

The play was about a man named Charlie who was mentally retarded and his mouse. Doctors performed an operation on Charlie so he became a genius and the play deals with the effects this has on him.

"Onions in the Stew," the 1973 Junior Class play, premiered Feb. 28 and March 1, under the direction of Mr. Dusthimer.

It is a comedy about a family of four who moves to an island and is bombarded by loads of company, nosey neighbors, faulty plumbing, seasonal hazards, and "woo-woos" in the bedroom.

Throughout the course of the play, everyone but the mother finds fault with island dwelling; however, at the close of the play, they finally find their onions in the stew.

The play was about the Scope Monkey trials in Dayton, Tennessee, in 1924. It centers around the conflicts between Matthew Harrison Brady, and Harry Drummond, two very popular politicians. These two men were close friends. In the end Drummond stood up for Brady after his death.

The play was put on by a veteran cast and also was a larger cast than any play this year.

The directing was done by Mr. David Dustimer. Props and other odd jobs were under the guidance of Mr. David Marshall.

They were sophomores, Kathy Ulrey and Clint Pollard; juniors, Sue Gilmour and Randy Surface; seniors Cheryl Pavey and Matt Fairchild; and 1972 Queen Cindy Ogden and her escort Larry Surface.

In addition to sponsoring the plays, the Thespian Society also sponsored a garage sale. To be eligible for membership in Thespians, students had to be active in at least one play.

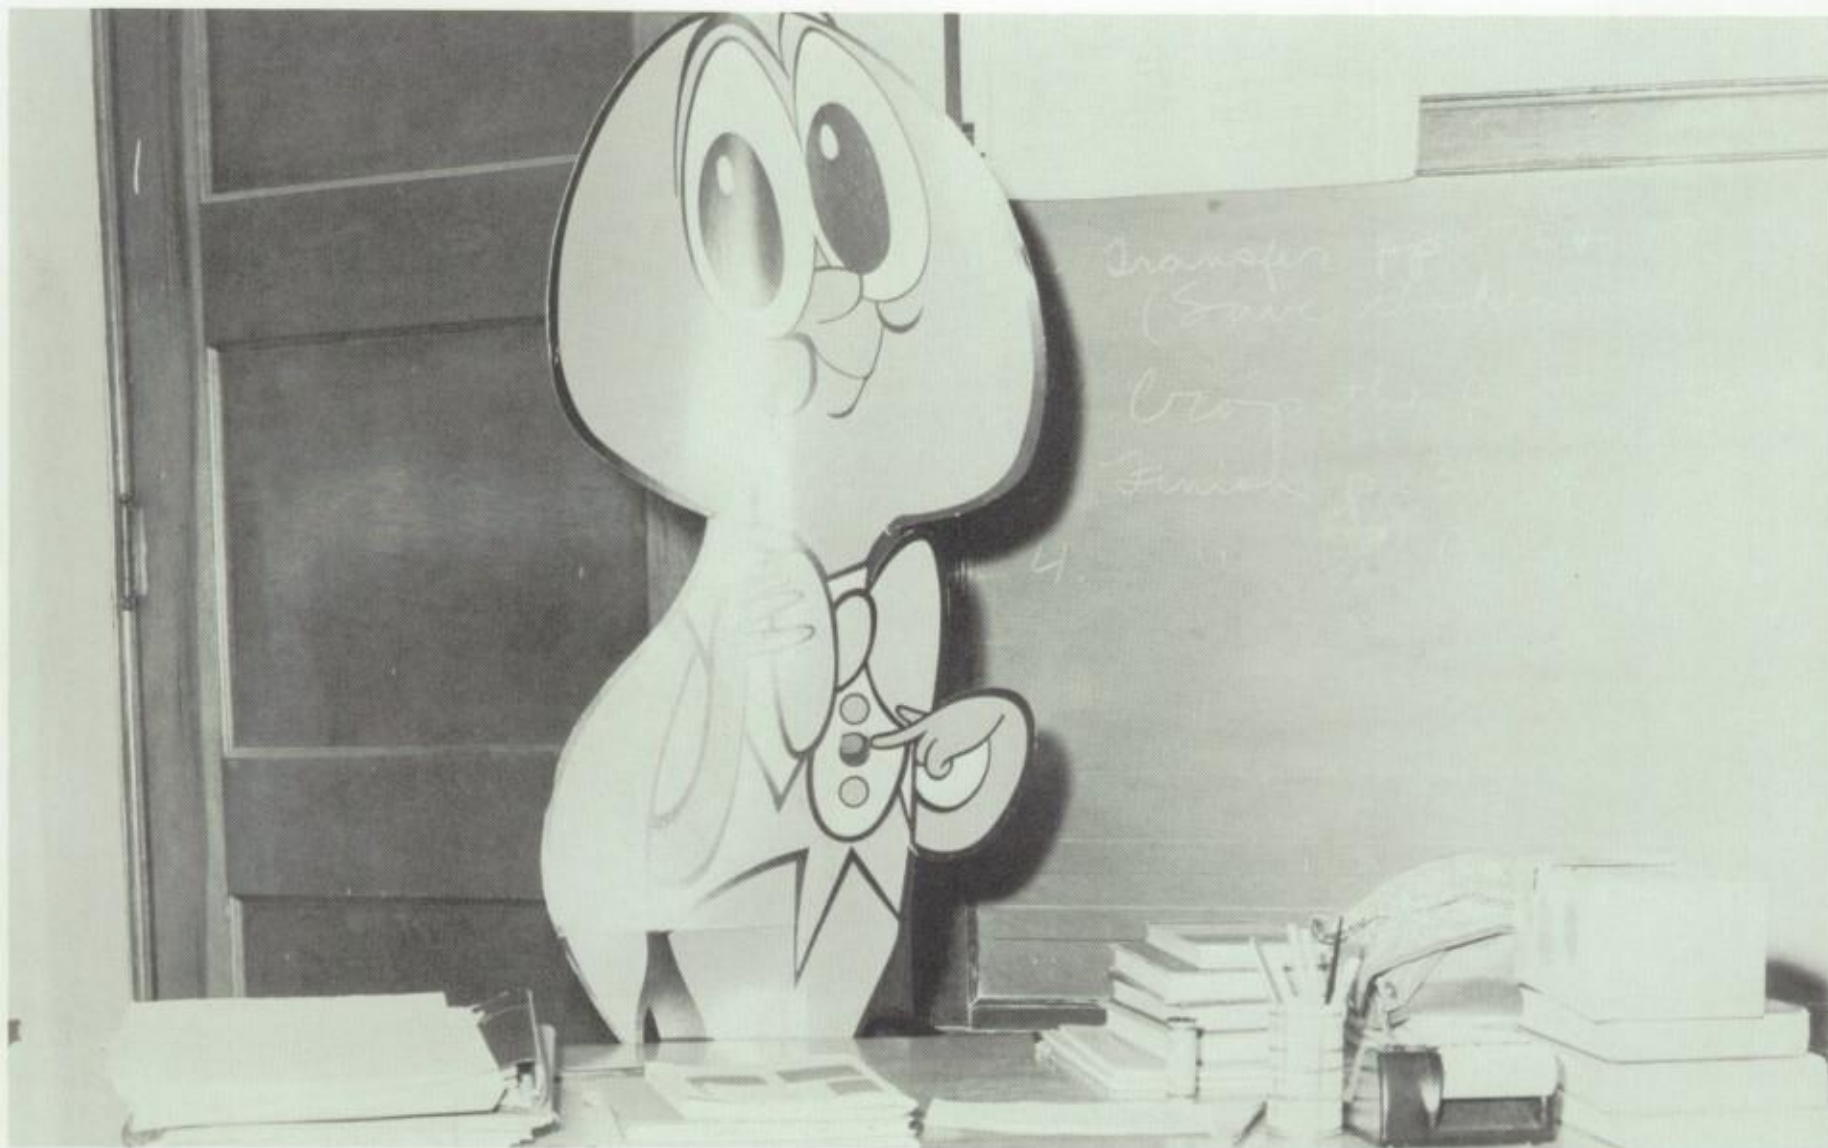

Mr. David Dusthimer, sponsor of the group, initiated 25 members in a

Franklin Park picnic.

They included: Tim Atkins, Linda Mann, Linda Fair, Randy Lucas, Jack Russell, Jim Young, Steve Manning, Tom Deer, Vickie Johnston, Greg Sickmeier, David Brown, Sharon Gaither, Brenda Lindley, Linda Kidwell, Mike Wilding, Linda Wood, Belinda Bridwell, Mindy Jester, Debbie Shepherd, Christie Doty, Harry Neat, Mike Richards, Robyn Boggs, Tim Stewart, and Carol Brown.

Trojaneer Publishes 14 Issues in 1972-73

Both the editor and the adviser sometimes wonder how they published 14 issues of the Trojaneer without going "bananas".

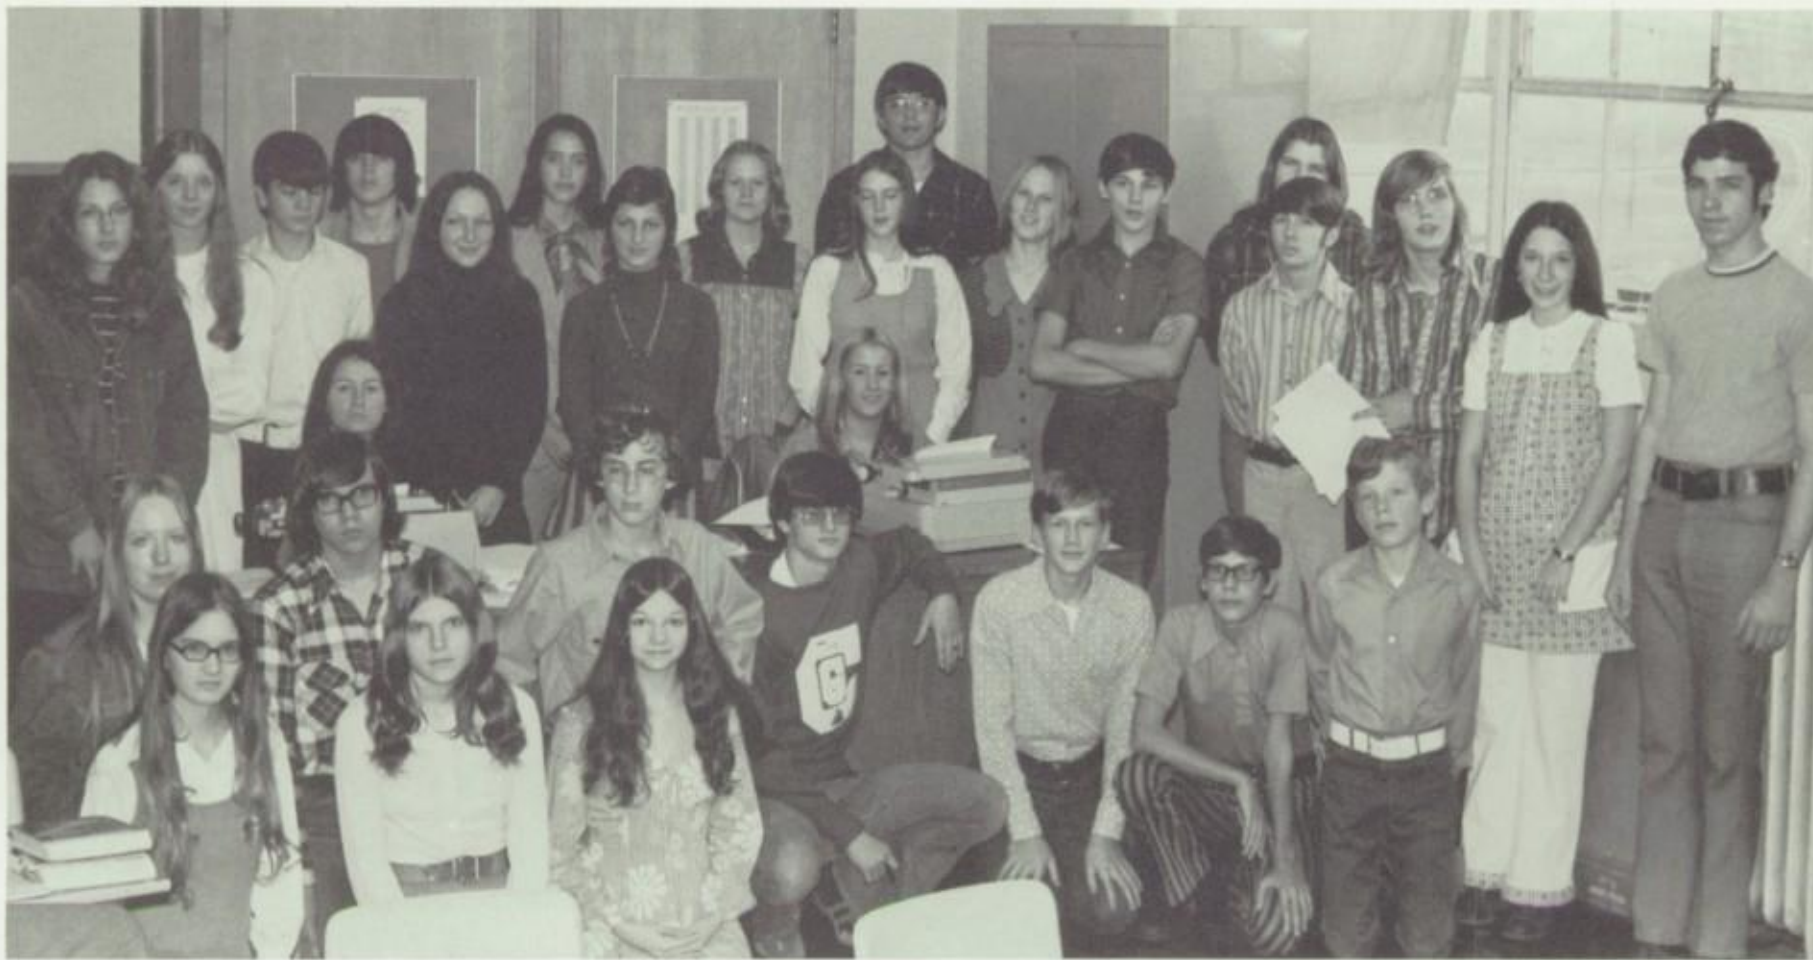

Mike Pluris, Ken Lewellyn and Larry Gough go to the Daily Journal to "paste up" the paper.

Last year's Trojaneer was written by the 27 members of the Journalism class under the supervision of Mrs. Deborah Cooper. The staff consisting of the four upper grades produced 14 issues of the newspaper during the school year.

Besides learning some pointers on being reporters the class also helped layout the paper at the Daily Journal.

On Oct. 28 at Franklin College five members of the newspaper staff went to the Indiana High School Press Association. Guest speaker was professor James Paschal of the Oklahoma Inter-scholastic Press Association.

The Trojaneer editor was Mike Pluris. Belinda Bridwell, was in charge of advertising and distribution. Photographers were Tim Atkins, Roger Bland and Duke Bristow. Mike Ryan, was the cartoonist.

Those most active on the staff were Pam Sutton, Kathy Heaton, Christie Doty, Meresa Baker, Randy Lucas, Tammi Adams, Belinda Bridwell, Peggy Jones, Julie Baker, Jana Cline, Ken Lewellyn, Tim Atkins, and Cindy Pace.

Homeroom representatives sold a record number of 475 Trojans in 1973. Those students included: Brenda Clunie, Joni Forslund, Cindy Pace, Brenda Lindley, Linda Hewitt, Cheryl Pavey, Lisa Row, Debbie Morton, Bill Cragen, Regina Sims, and Peggy Jones. Others were Gail Barnd, Carol McCann, Kathy Gressel, Brenda Briggs, Don Polley, Pam Mort, Cindy Ogden, Jan Whitmore, Christie Doty, Debbie Woessner, Mike Gibbs, Duke Bristow, and Ken Lewellyn.

'72 Ski Trip in Intramurals

Although volleyball and bowling were a part of GAA, the highlight of the year was the annual ski trip. The 24 girls and four chaperones went by bus on their three day excursion to Alpine Valley near East Troy, Wisconsin.

Then, there was the annual slumber party held in the high school gym, which brought in the fire department to repair the lights.

During the year, GAA members sold Sherry Shampoo to help raise money.

GAA's new sponsor was Miss Marcia Bartle and the officers were pres., Becky Mitchell; vice pres., Sherry Baldock; sec., Gail Barnd; and treas., Terry Walters.

Some of the activities the Sunshine Society participated in this year included sending Thanksgiving fruit baskets to shut-ins in the community, giving gifts to patients at Muscatatuck Hospital, donating to the heart fund in February, and sponsoring the annual Mother-Daughter banquet in May.

Officers of Sunshine Society were president, Cindy Ogden; vice president, Judy Deer; treasurer, Joni Forslund; recording secretary, Ellen Poe; and corresponding secretary, Valerie Doty. Mrs. Vera Fulmer and Mrs. Jean Robertson were sponsors of the Sunshine Society.

Three Schools

Susie Stapert goes over some assignments in exploratory teaching at CG Elementary School.

In the 72-73 school year the FTA (Future Teachers of America) was made up of a total of 31 members.

Ten members were exploratory teachers. They were Susie Stapert, Brenda Briggs, Carol Brown, Rene Johnson, Jill Huckstep, Larry Gough, Debbie Bird, Barton Hume and Harry Neat.

These students were able to experience the teacher's side of teaching.

The officers of FTA club for the 72-73 school year were; president, Cheryl Pavey, vice president, Mindy Jester, secretary, Joni Forslund and treasurer, Bernie Matthews. The sponsor was Miss Della McMahan.

Last year in the Office Education

Association Club the officers were Rhonda Powell, president; Jackie Carter, vice president; Becky Edwards, secretary; Pam Sutton, treasurer and Mrs. Roxie Howard was their sponsor.

They sold candies and stationery to raise money for the club. Rhonda Powell went to one of the district meetings held at Central Nine.

They also took a field trip to Greenwood to visit Mr. Smith a public accountant to see his Burroughs computer in operation. Some members of the club took lessons on how to operate the computer. As a result, O.E.A. club member, Debbie Lorber got a full-time job of operating the computer.

Booster Club Gals Wear Smocks in '73

Last year's Booster Club was better and more organized than any before. New and exciting things were tried. Each girl in Booster Club made a red and white smock, which really added to the Booster section. When "Big Games" were coming up they decorated the halls. During Sectional time, all during that week, they played a new and different game.

Mr. David Dusthimer was the Booster Club sponsor. Last year's officers were Pat Biehl, president; Roberta Scheckles, vice-president; Debbie Poynter, secretary; Donna Poynter, treasurer; and Vicky Davidson, attendance officer.

The Grovers Club at CG sold T-shirts last year as their fund raising project. The profits from this went to set up a scholarship fund to be given to a Center Grove graduate.

Grover officers last year were Bill Cragen, president; Dave Benner, vice president; Mike Tinkle, Secretary, Sam Shepherd, Doug Brown, and David Hashman, sergeants at arms. The faculty sponsor was Mr. William Seitz.

Cheerleaders Lead Teams Down Victory Lane

Reserve cheerleaders were Nancy Gaither, Jo Wiese, Jeannie Jester, and Rhonda Whitaker.

New cheers, yells, jumps, and routines were the goal of 1972-73 cheerleaders last year. The most important way they accomplished this was by going to Evansville University in the summer of 1972.

Nancy Kegley, Roslyn Ratliff, Becky Bodine, Barbara Veerkamp and Valerie Doty, all varsity cheerleaders, enjoyed their trip to the college.

They said that there was not as much competition as they would have liked, but in all it was a very good experience. Girls from all over the state and Illinois gathered to better themselves in cheerleading.

On the last day, the CG girls won the "Best Squad" award.

Reserve cheerleaders last year were Jeanne Jester, Nancy Gaither, Jo Wiese, and Rhonda Whitaker.

Mrs. Carol Schuppert sponsored the cheerleaders for the first semester, followed by Mr. Ralph Clingerman the second semester.

The chess club had a very big year. They played in a state meet, a Broad Ripple Invitational, and they belonged to a chess league. Some schools which participated in this league were Franklin Central, Decatur Central, Whiteland High, and Junior High Schools. A trophy was given to the best player of the league.

The officers for the year 72-73 were Paul Mueller, president; Tom Deer, vice-president; and Greg Brinson, secretary-treasurer. The club sponsors were Mr. John Steed and Mr. Ralph Clingerman. The club met twice a week.

Student Council, sponsored by Mr. Steed, was very busy this year. They took on the task of rewriting the constitution. As usual, Student Council chose next year's convocations.

"A Charlie Brown Christmas" was the theme of the Christmas Dance, held Dec. 22 at West Grove Elementary. The last Student Council activity was the annual CG Talent Show, held April 26, co-sponsored by Student Council and the choral department.

Have Many Thrills and Exciting Times There

During the year of 1972-73, the Spanish and French Clubs enjoyed many activities. Starting the list off was the Spanish-French Club dinner, held in the school cafeteria.

Next the Spanish Club gave a Christmas party at Turtle Creek Convalescent Center. Then on April 4 CG language clubs celebrated Pan American Day with a Spanish, French, and Latin Club dinner.

During spring vacation, 36 Spanish Club members went to Mexico for the week.

Ending the year the French Club and all French students had Eiffel Tower Day. During this day all French students spoke only French.

French Club officers were Linda Wood, Susie Stapert, Linda Mann, and Joni Forslund. Mrs. Janet Brown sponsored the club.

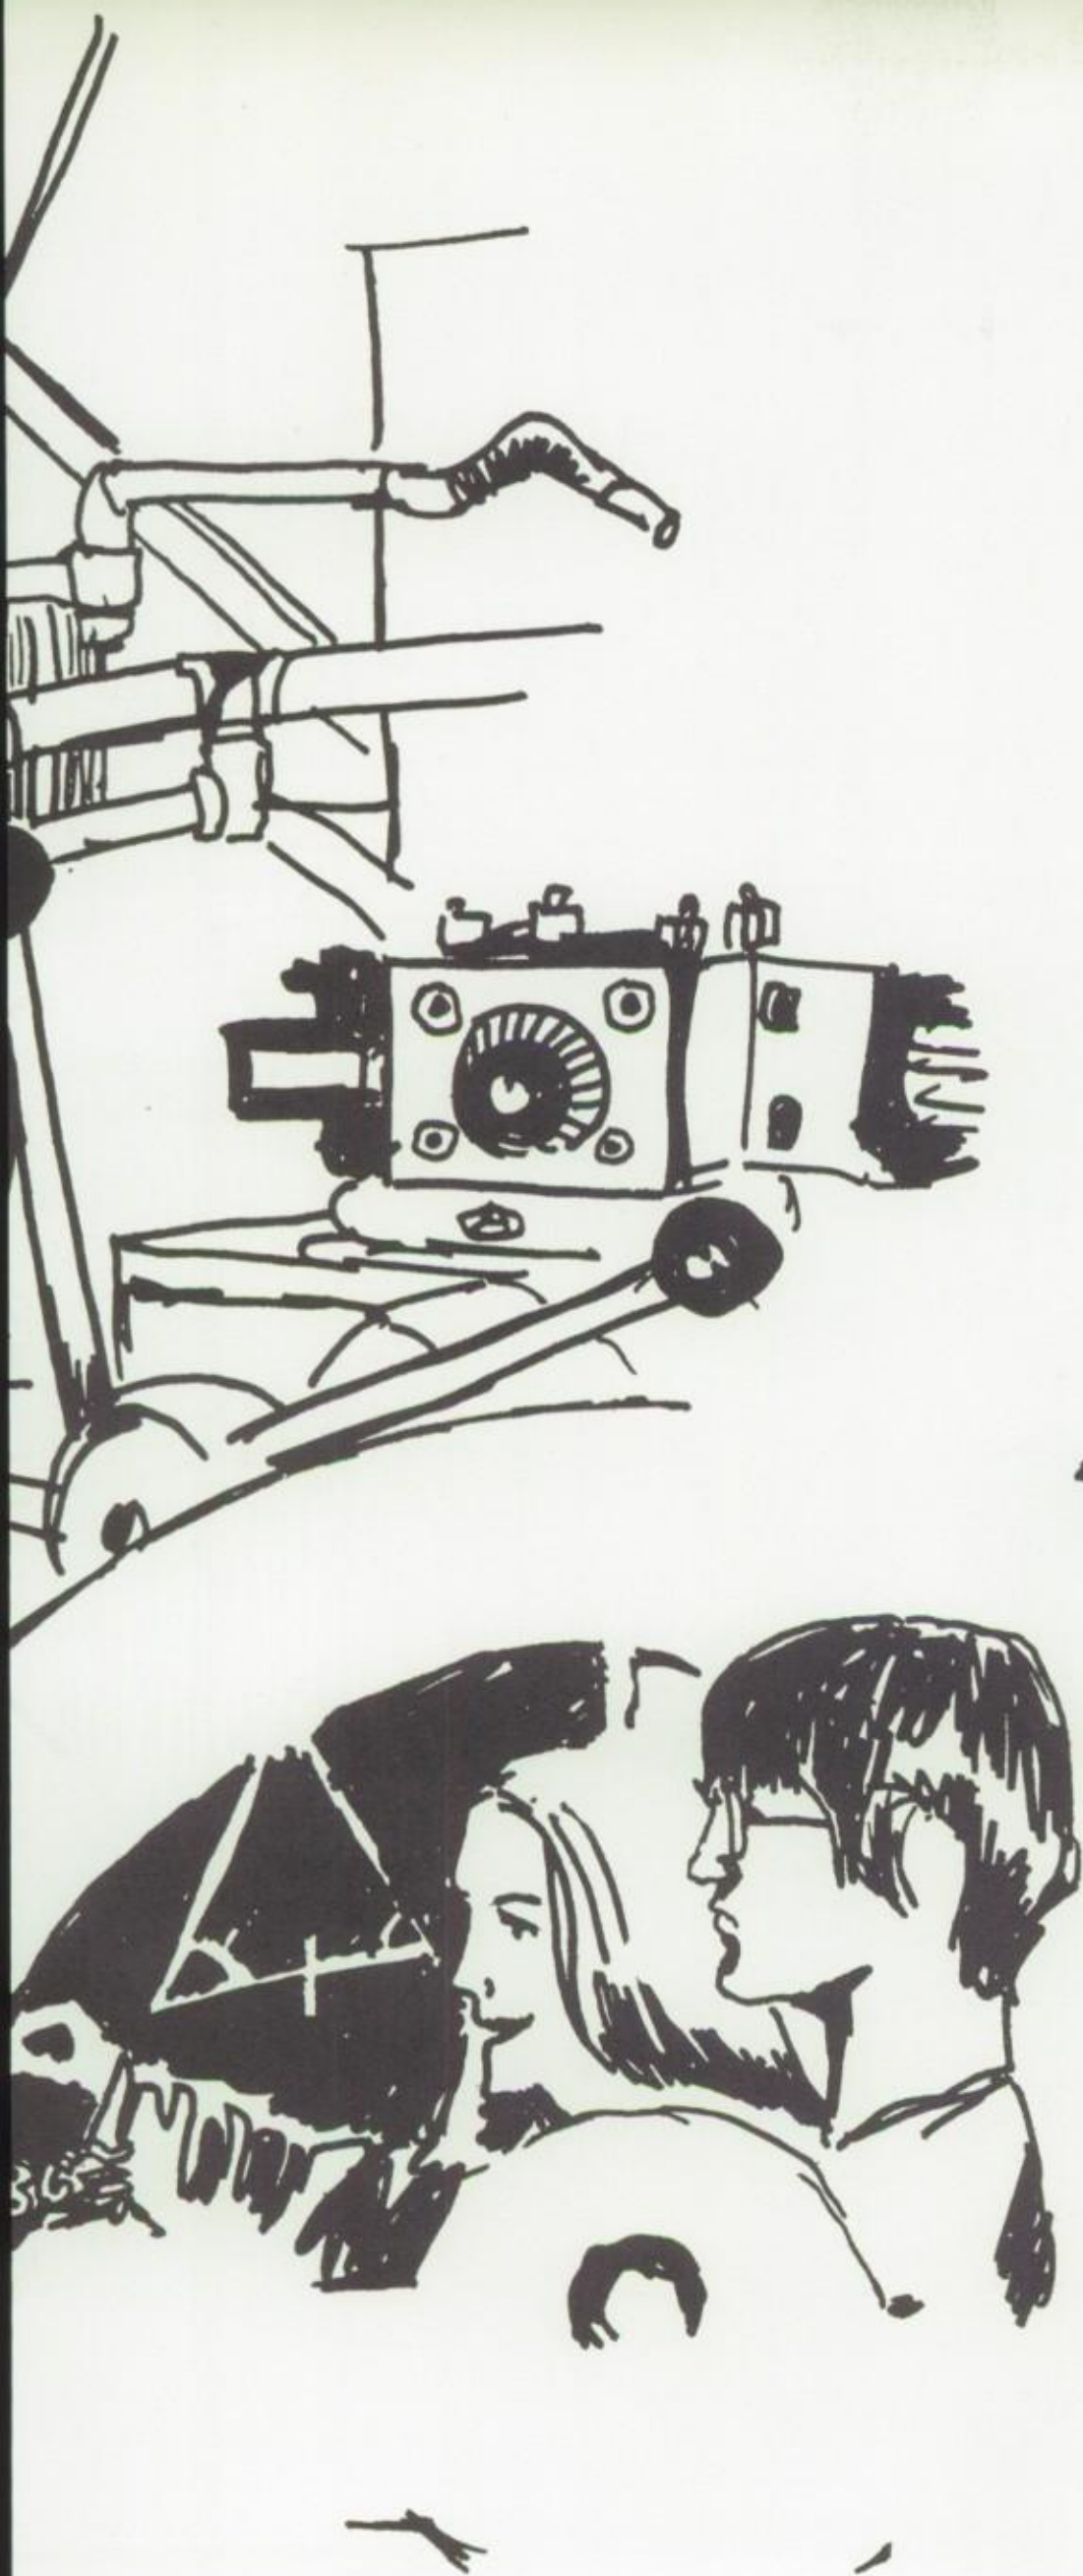

Spanish Club officers were Vickie Faires, Brenda Newell, Barb Veerkamp, and Terry Whitaker. Their sponsor was Mrs. Sonia Holt.

Mini-Courses

Students With

Last year, Mini-Courses were added to CG's curriculum. They were originated by Mr. Melvin Vandermeer and the Student Council, after seeing their success elsewhere. The courses started Oct. 20 and were held on Fridays during fifth period. Students were able to take two different courses during the year, each lasting 10 weeks.

Students took quite a part in Mini-Courses and grew to appreciate and enjoy them each week. Many varied subjects were offered to CG students.

Varied Pace

Students did a variety of things in these mini courses. They could do anything from launching rockets and playing hockey to ballroom dancing or knitting. Some of the courses offered were Co-ed Volleyball, Chess, Model Rocketry, Ice Hockey, Fishing, Tennis, Model Building, Drama, Knitting, and Girls' Appreciation of Sports.

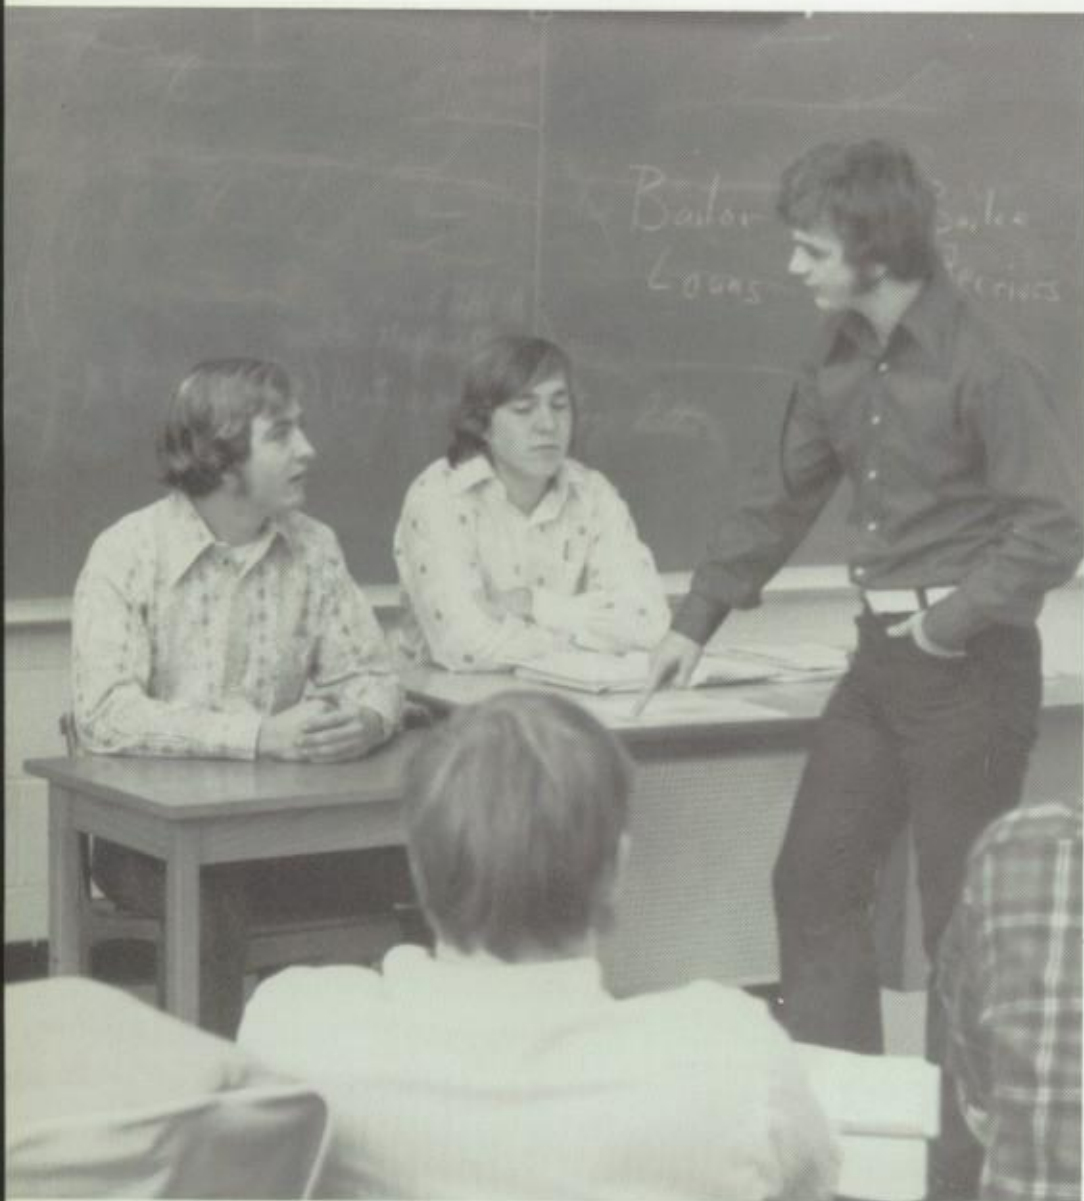

Others were Yearbook, First Aid, Macrame, Eucre, and Weight Watchers.

Home Ec. Girls Develop Health Bar in Gym

A new fund raising project in Home Economics classes was the Health Bar. The classes, taught by Mrs. Ellen Mahan, raised money toward a Christmas dinner at Pete Steffey's.

In another project, Home Ec. II and III classes attended the Home Show at the State Fair Grounds on Feb. 5.

Girls in Home Ec. II participated in a style show given on Dec. 6. The girls modeled pantsuits, dresses, and skirts they had made in class.

Last year, business courses were taught by Mrs. Vera Fulmer, who taught Shorthand I and II and Typing II; Mrs. Roxie Howard, Vocational Business and Bookkeeping; and Mr. William Seitz, General Business, Business Law, and Bookkeeping. A new teacher at Center Grove, Mrs. Anne Wolfred taught Typing I, Business English, and Shorthand I.

Art Classes Try Tie Dyeing and Tapestry

Senior Arthur Kever utilizes his supply of shop knowledge at the grinder, during his Metals Class.

Last year Center Grove offered Art I through Art IV. The art classes studied the elements of design, lines, textures, and patterns.

They also made linoleum prints, tie-dyed, drew, and painted.

Taught by Mrs. Sherry Ramsey, Art classes learned lettering and made posters. One of the highlights for the art students was the tapestries they made.

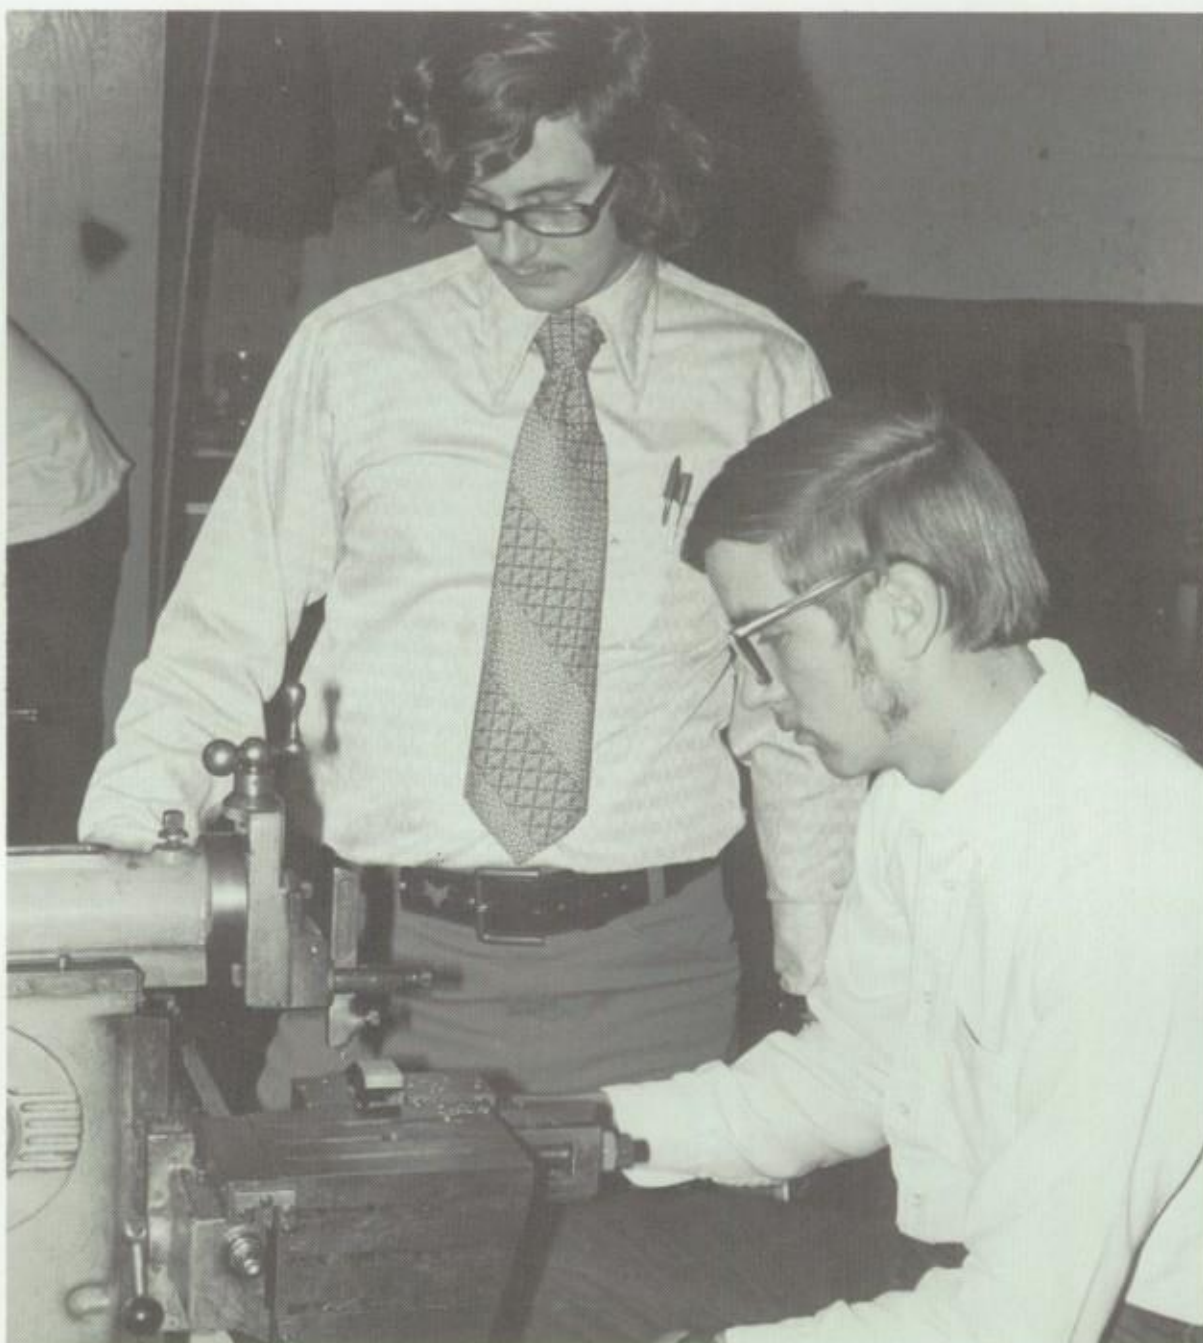

The Industrial Arts department offered six courses last year. Mr. James Robinson taught shop, Wood Shop I, and Wood Shop II. Mr. Andrew Jackson taught Metals, Mechanical Drawing I and II, and Architectural Drawing.

In Wood Shop, students made many projects, ranging from fruitbowls to chess boards. Mr. Robinson showed students how to use power tools in correct and safe ways.

In Mechanical Drawing I and II Circles were made with rulers and squares were made with compasses.

In Architectural Drawing, students designed and drew their own homes. Then they made models of their homes out of balsa wood.

In Metals, Mr. Jackson taught the safe and right way to weld and forge different metals. Students also learned to use the metal lathe.

Introduced: Own Rate

The Math and Science department accomplished a lot this year. Mr. Ralph Clingerman devised a new system of grading.

"In this new system the kids worked at their own rate," said Clingerman. "There are three groups, the first group is the most advanced, with the second group average and the third group a little below the second group. The groups were required to do different things to get an A.

English Department Develops Phase Electives

Center Grove's English Department was busy last year, with the new phrase elective program being organized. This phrase elective program is scheduled to begin next year. It was originated to give students a more choice in the classes and a more varied curriculum.

The seniors had to make the decision of taking Composition or Business English, and of taking Literature or Speech.

The juniors had Miss Mary Lou Schenck come in to take the place of Mrs. Carol Schuppert, who moved to Atlanta, Georgia.

The sophomores in Mrs. Arnell Lysko's classes were allowed to put on skits and small plays.

High school librarian for 72-73 school year was Miss Marcia Bartle. Her assistant was Mrs. Rosemary Whitaker.

Student library workers included Debbie Berzins, Pat Knight, Susan Rose, Bonnie Dickinson, Mike Stroud, Karen Arnold, Art Kever, Janice Vanhook, Randy Dresslar, and Rita Blevens.

The library's new vertical file system went into operation in the fall. Students working on term papers used this for newspapers, clippings, pamphlets, and reprints.

Nearly 30 students elected to learn to drive in school last year. Mr. Steve Gantz taught them.

In health classes last year, the students studied mental diseases, muscles and bones of the body. They also learned the evils of smoking, alcohol, and drugs. They had a "smoking lungs" to illustrate the effects of smoking on the lungs.

Health classes were taught by Mrs. Carol Tumey, Mr. John Clements, and Mr. Alex Girdley.

Drivers Education was offered each semester to Center Grove students. In this class there were many thrills and much excitement, but eventually, all learned to drive.

Boys' Physical Education classes played volleyball in rough competition.

"This is how Ben Hur did it," says Mrs. Rosa Andrew in Latin class.

Last year's French classes were taught by Mrs. Janet Brown. They did such things as singing Christmas carols in the Jr. High; and for Valentine's Day they made valentines for each other and had a party; First and second year had a French breakfast. Also the French classes had an Jour du Tour Eiffel, where everyone spoke French all day.

Last year's Spanish classes were taught by Mrs. Sonia Holt and Miss Zinzwas, student teacher.

Randy Jenkins studies in Spanish II class.

Many CG Students Attend Vocational School,

Doug Lindle and Garry Lane ad show how to operate the latest in photographic equipment.

The Central Nine Vocational School was a new experience for 69 CG students last year.

This school offered a variety of courses divided among the 630 pupils. The courses included: mechanics, secretarial courses, building trades, nursing, horticulture, agriculture, electronics, welding, data processing, and many more.

Central Nine included nine area schools, so CG students there met many new friends. Students went to Central Nine in the morning and CG in the afternoons or vice versa.

In the Building Trades course, the boys actually bought a lot and constructed a house on it which was landscaped by the horticulture courses and sold.

This is the first vocational school ever in Johnson County.

Win 3, Lose 7; Pollard Rushes for 1000 Yards

The Center Grove varsity Trojans come bustin' through before they play another rough game.

Last year, coach John Clements said that there was a good showing of boys who went out for football. He also said, "The backs had more raw talent out of them than we got the previous year."

The year's varsity team consisted of quite a few sophomores playing in among the upperclassmen.

Clint Pollard was the number one ground gainer for the Trojans as he fought his way to over 1,000 yards during the season.

The varsity and reserve football teams went to watch Indiana University play University of Wisconsin at Bloomington.

For next year, Coach Clements said, "If we avoid injuries and if everything goes well, we should have a pretty good season next year. We've got more material coming back than we've had in the last several years."

Coach John Clements surveys his group of Trojans before starting another hard-hitting practice.

Doug Hefley appears to have lost his state of being in the Franklin Central game.

The reserves did not fare as well last year as they had hoped to. There were several games which could have gone either way, especially if the sophomores who played varsity had been playing for the reserve team.

The reserve team ended their season with a 2-5-1 record. Commenting on the team, the coaches said, "We had a good group of boys last year, and we think that we should be able to have a better season this year. These are guys who can really bring a winning football program to Center Grove.

Coaches for the reserve team were Mr. Walt Aldorizio and Mr. Ron Pine.

County Runners Spell Cross Country Story

Barton Hume, this year's most valuable player, displays his talents.

The 72 cross country team finished with an 8-2 record. Some highlights were the team's victory over Wood and winning the Franklin Central Invitational both for the first time, and placing sixth in the Ben Davis Sectional. This was the best performance of any Johnson County or Mid-State team.

Outstanding runners were Bob Veerkamp, Tim Hayes, and Pat Cunningham. Next year four out of the top six runners will return along with three or four promising freshmen. We should have as strong a team next year as we had last year, Veerkamp, Hayes, and Cunningham were all chosen to the all-county and all-Mid State teams.

Last year's tennis team made a vast improvement over its first season. A 4-6 record and third in the Mid-State gave CG tennis a big boost. M.V.P. was senior Barton Hume, with a 6-7 record. The player with the best record was Bill Cragen, at 8-5.

Coach Ralph Clingerman said, "For a second year team they steadily improved, but still need experience to be a winning team. In the conference the boys met the challenge finishing third. For a team that finished last in the sectional 2 years ago, I think we did very well in finishing sixth last year, with the doubles team of Cragen-Hume in the finals."

Wrestling Team Finishes with 7-9 Record;

Varsity Wrestler Doug Hefley goes for a pin during the Wrestling Sectional at Whiteland.

The grapplers ended their season last year with a 7-9 record. The team began rebuilding the year by lifting weights before practices. With sophomores making up the bulk of the team, coaches Mr. Alex Girdley and Mr. Jerry Dunn will have much to work with in future years.

An example is the Most Valuable Wrestler of the year. Sophomore Mark Howe was not only MVP but was Mid-State and Sectional tourney champ. Mark also went to the state Regionals for the second time in his wrestling career but lost in the first round.

The other champion of the team was Doug Hefley who placed first in the Johnson County Tourney. Also a sophomore, Hefley came in third in accumulation of team points.

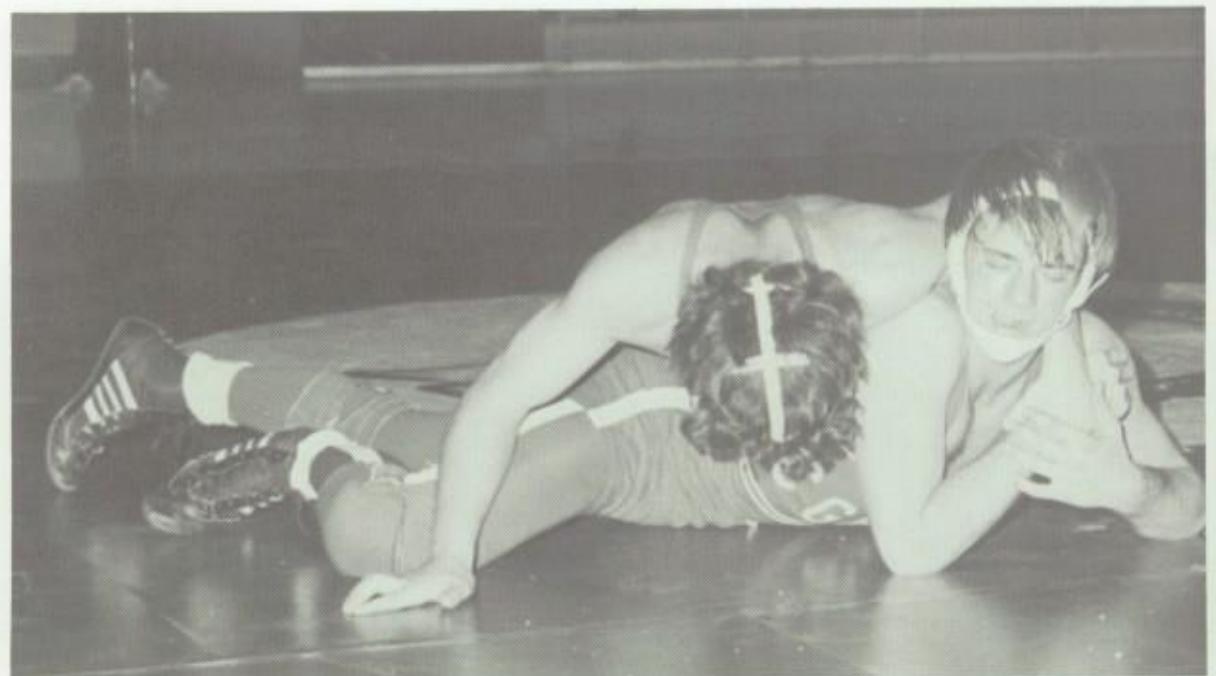

The Reserve team also brought laurels to the team with their 5-2 record and their winning the championship in the Whiteland County Invitational. First place winners in the Invitational were Tom Gaskins, Bill Turner, Mike Wilding, Mark Carter, Russ Matthews, and Joe Bunch.

A new cheer group for Wrestling was formed last year known as the Grapple-ettes. These twenty girls led by president, Brenda Briggs helped the wrestling team by keeping score, time, and giving moral support to wrestlers.

4-Way Tourney Title for 3rd Straight Year

One of the high points in the '72-'73 season was the Holiday Tourney win over Greenwood, 77-54. High scorer was Dave Felix, with 19 points.

The longest winning streak of the season started by beating Whiteland 55-46, with Glen Tow leading the way with 12 points. The Whiteland game was Coach Jones's 100th win in his five years at CG. Next in line was Cascades which the Trojans whipped 65-53. The Holiday Tourney was next in which CG beat Whiteland and Greenwood.

The streak stretched to five when CG stomped Decatur Central 73-28. It went to six when they defeated Indian Creek 80-72. The streak kept on with seven and eight by beating Edinburg 75-59 and Southwestern 74-41. The streak continued with nine in a row by beating Avon 76-63, but the streak was stopped there by Speedway.

The Trojans ventured then to the Whiteland Sectional where they beat Decatur Central 63-37, but were beaten by Franklin in the final game 65-50.

Gary Harris can't get a grip on things in the jump ball situation during one of the games.

Last Year

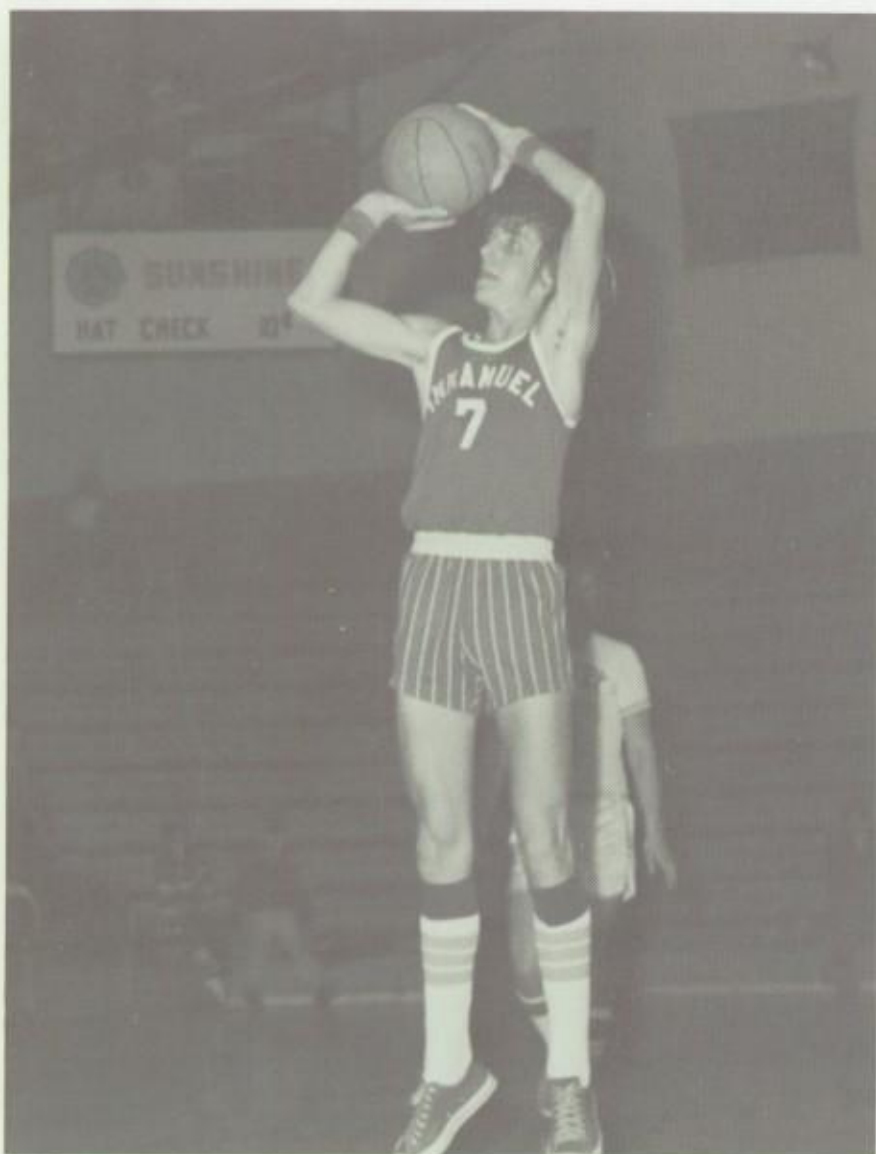

Intramural basketball teams had such illustrious captains as Rick White, Barry Kermeen, Dave Benner, Mike Tinkle, Matt Fairchild and Roger Baker. The intramurals were organized by Mr. Steve Gantz.

Some of the teams were dubbed "White's Wolf Pack," "Baker's Baby Bulls," and "Poo-Poo's Possums and Pigs." During the season all the intramural teams formed an All-Star team which consisted of Matt Fairchild, Roger Baker, Dave Benner, Rick White, Tim Hayes, Ron Rayl, Barry Kermeen, Darrell Francis, Jim Moore, Eddie Stringer and Clint Trowbridge. The All-Star and Faculty game ended in a 75-73 defeat for the All-Stars.

Competition between the intramural teams was won by "Matt Fairchild's Fat Cats."

Anticipation mounts on the faces of Dave Felix and Mr. Swango, while the other players wait anxiously for the ball after the jump.

Eddie Stringer played on the All-Star team with other upperclassmen.

The girls won their meet against Martinsville and came in second in the three way meet with Southport and Decatur Central.

In addition to coaching the track team, Mrs. Carol Tumey also coached the girls' volleyball and basketball teams.

She thought they were all good teams. She said that their best volleyball game was with Greenfield in the sectionals when CG won with a score of 15-13.

On the basketball team, the two top scorers were Sherry Baldock and Carrie Bennett.

At the tip, it's Kathy Gray going for the ball for CG's GAA basketball team.

The 1973 sophomore class found high school wasn't what we imagined but we had fun learning.

Our first attempt at building a homecoming float consisted mostly of hay fights and football, though we did manage to get the float finished on time. Sophs. reigned when Cathy Dorrell was crowned queen at the 1972 football homecoming dance. She was escorted by Tom Baker.

To raise money for the 1974 prom, the sophomore class washed the school buses for the school corporation.

In the spring, we went on an all sophomore picnic at McCormick's Creek State Park.

Of course, the highlight of the year was receiving our class and high school rings.

Class sponsors were Mrs. Janet Brown and Mr. William Seitz.

Sophomores, Cathy Dorrell and Tom Baker, reigned at the 1972 Football Homecoming dance

Administration Does Much to Help Students

Mr. Melvin Vandermeer, principal, discusses school policy by phone.

Mr. O. J. Sloop, assistant principal in charge of discipline, doesn't always smile like this.

Center Grove's administration has been working to improve the school all year.

First, with the help of the student council, mini courses were initiated in the fall.

Second, the English phase elective program for next year was approved and encouraged.

Having just opened Center Grove Elementary School, the corporation had a survey taken by Ball State University to help it determine where and what needs to be built next. Plans are being considered for building an addition between the high school building and the present junior high building. The Middle Building, which was built in 1925, would have to be torn down. The junior high students would attend a new middle school next to Center Grove Elementary, while the high school would use the present junior high-high school campus.

Have a Better School

Trojan Staff Expresses Its Appreciation

Peggy Jones gives some last minute advice to fellow staffers, Julie Baker and Jana Cline.

Ken Lewellyn battles with his "Techni-Cropper" to complete some final layouts.

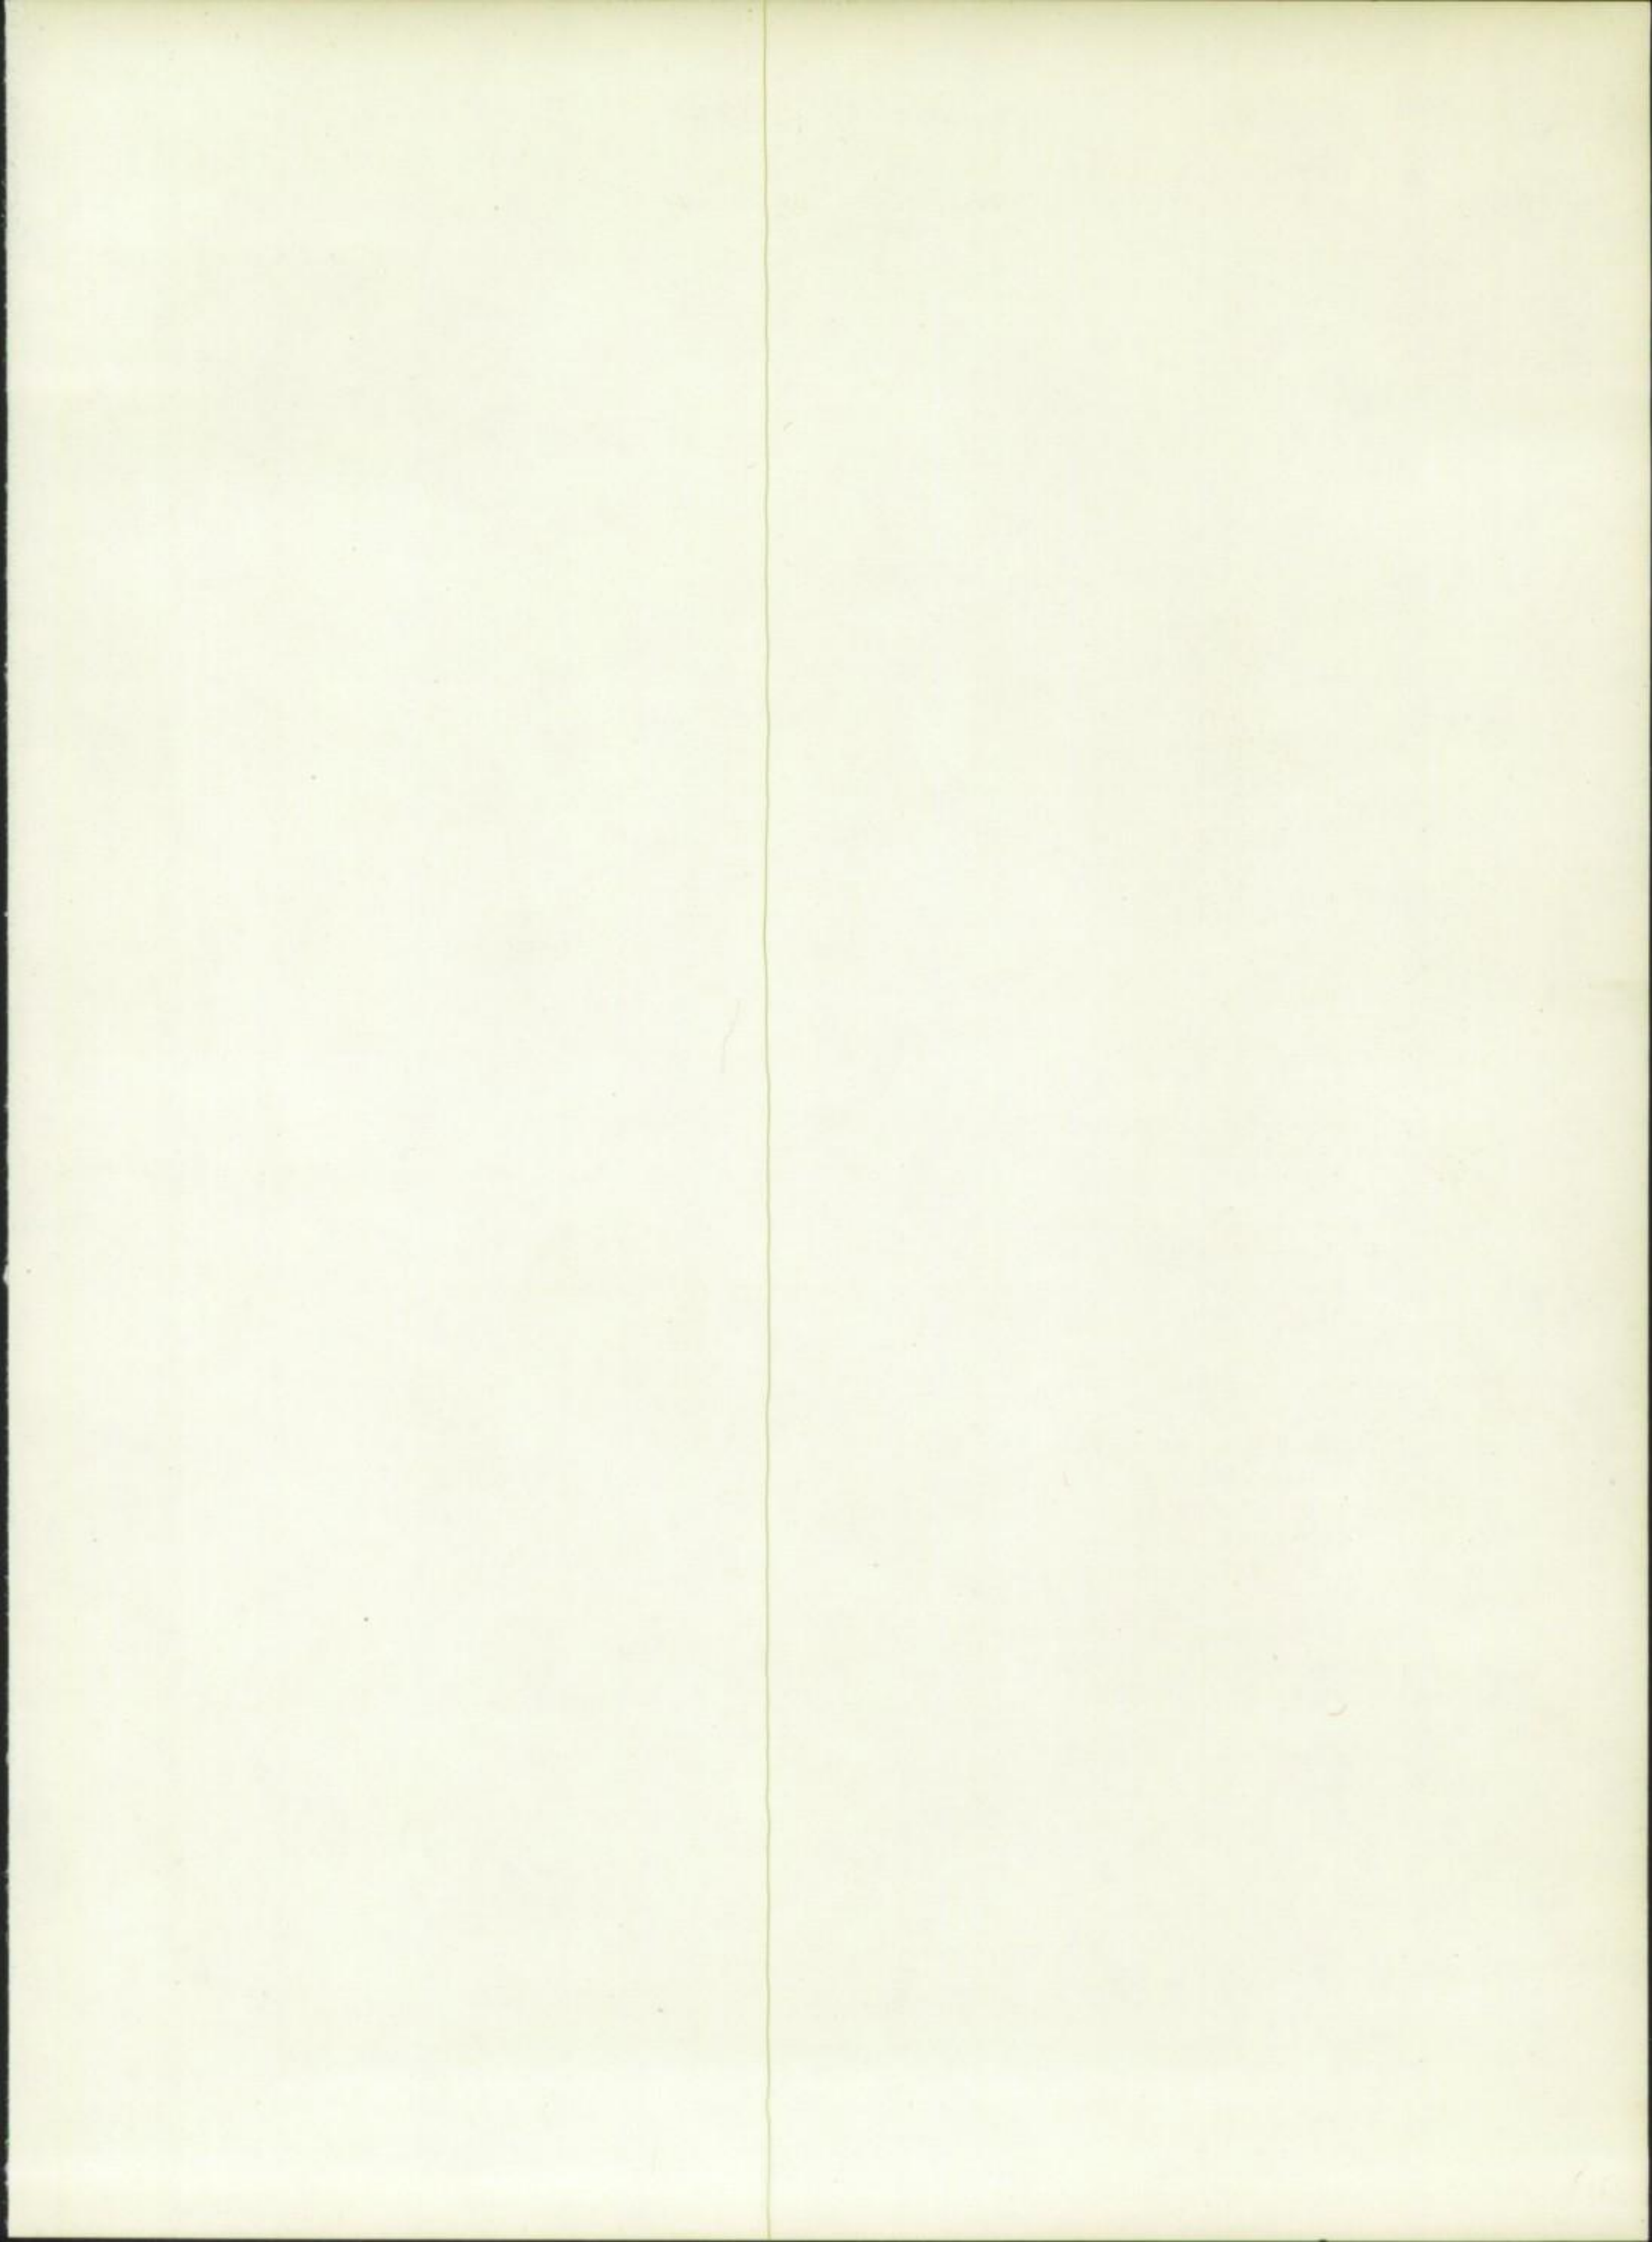

The 1973 Trojan staff set out last year to tell Center Grove's year in pictures, and after a great deal of work and co-operation by many staff members, we trust that we have succeeded.

The book would not have been possible without the assistance of Mr. Dick Kennard of Newsfoto Yearbooks and Mr. Byron Nash, our school photographer.

A special thanks goes also to the teachers and administration for their patience with us as we put together this yearbook.

As you reminisce over your 1973 Trojan, we sincerely hope that you will find that "Every Picture Tells a Story."
